

Earth Day Bingo

B	I	N	G	O
Make a plant pot with a recyclable bottle or other container	Cut down on paper waste	Go on a hike	Turn off the lights when leaving a room	Volunteer at a trash cleanup
Take a shower in 4 minutes or less	Choose sustainable food and products such as coffee and seafood	Plant a native plant garden	Apply window decals to prevent bird collisions	Bring reusable shopping and produce bags to the grocery store
Only buy what you really need	Contribute to community science	Spread awareness about environmental conservation	Shop locally, such as at farmers markets and artisan fairs	Turn recyclable products into art
Pick up 10 pieces of trash at a park, beach, etc.	Repurpose something you were going to throw away	Use a reusable water bottle	Learn about the wildlife in your neighborhood	Use rechargeable batteries
Turn off the water when you brush your teeth	Teach others about endangered species	Switch to long-lasting lightbulbs	Walk or bike more, drive less	Compost your food scraps
